Mahmoud Mohamed Elsayed

Full Stack Developer & AI Automation Expert

PROFILE

Dynamic and ambitious Full Stack Developer & AI Automation Expert graduated from Suez Canal University (Engineering, 2023). ITI-certified in Front-End & Cross-Platform Mobile Apps Development. Specializing in AI-powered systems, WhatsApp Business API solutions, CRM/ERP integrations, workflow automation, and scalable web applications — with a passion for teaching programming from beginner to advanced level.

EXPERIENCE

Website Development Specialist

Jun 2025 – Aug 2025

Masters Clinics · Cairo, Egypt

- Contributed to development and implementation of advertising and marketing campaign strategies.
- Managed web teams with high efficiency, positively impacting the achievement of corporate goals.
- Strengthened corporate image through high-quality web solutions and strategic execution.

Programming Instructor

2024 · 2025

iSchool E-Learning Platform · Remote

- Delivered structured programming courses to students at various skill levels through an online e-learning platform.
- Taught frontend and backend fundamentals including HTML, CSS, JavaScript, and Node.js.
- Provided code reviews, project mentoring, and guided students through real-world development challenges.

Freelance Full Stack Developer

2022 – Present

Self-Employed · Remote

- Delivered multiple client projects including web platforms, automation systems, AI integrations, and WhatsApp Business API solutions.
- Built scalable SaaS products, CRM integrations, and workflow automation pipelines using Make, Zapier, and n8n.
- Developed cross-platform mobile apps with Flutter and React Native for various industries.
